*All information provided on this form is used to apply for licenses. Please make sure it is complete and accurate.*

**PHYSICAL CONDITIONING:** Wyoming and Montana's diverse terrain provides scenic beauty but can test one's physical abilities. Horses and 4x4 vehicles are used to cover the country, but walking is involved on all hunts. The hunter who has prepared him or herself physically has the edge on harvesting a trophy. To make your evenings a time to relax and relay the stories of the day's events, we suggest you prepare yourself physically for the hunt. Any exercise program you undertake will help considerably. Most of you will be coming from a lower elevation and getting acclimated to our elevation takes about 3 days, so if you are able to arrive early and see the sights this can help. Horse hunters (Hunt 3, 7 and 8) are advised to ride at least a couple of times before the beginning of the trip. You must be able to mount a horse unassisted. Failure to do so will result in the termination of your hunt and no refunds will be granted. Hunt 7 and 8 Mule Deer hunters are advised to undertake a conditioning program well ahead of their hunt.

**HUNTER SAFETY REQUIREMENTS:** No person born on or after **JANUARY 1, 1966** for Wyoming or **JANUARY 1, 1985** for Montana may take any wildlife by the use of firearms, unless the person possesses and can exhibit a certificate of competency and safety in the use and handling of firearms. Wyoming and Montana both grant reciprocity to other states, countries or provinces providing recognized hunter safety certificates. Exhibit of certificates are not required to apply for or obtain a Wyoming license; however certificates must be carried in the field. Montana requires you to provide your hunter safety certificate number when you apply for your license. The minimum age to hunt big game in Wyoming and Montana is 12.

**EQUIPMENT LIST:** A complete and very detailed, hunt specific, list will be sent to at the time of booking.

**TAXIDERMY, TROPHY CARE AND MEAT PROCESSING:** After you harvest your animal, your guide will take care of field dressing it for you. Taxidermy work and meat processing are available locally. The cost of meat processing and taxidermy work is your responsibility. If you like, your animal's meat can be donated to a local food bank. The cost of meat processing will still be your responsibility. Meat cutting fees vary depending on the meat processor. It is possible to have your meat shipped home via Fed Ex and these arrangements are made directly with the individual meat cutters upon dropping off your animal. Information on the local taxidermists we work with can be found on the insert in this brochure. If you want to take your trophy home to a local taxidermist, that is also possible. Antelope heads can be frozen and packed with your meat. Heads taken home by commercial airliners require special care. We strongly advise you to contact your airline prior to your trip and find out their regulations. The airlines have recently made it difficult to take heads home as baggage. Heads can be left to be caped, boxed and shipped by local taxidermists; the charge is your responsibility. We urge you to check on your home state laws in regards to transporting meat and heads back from Wyoming with regard to chronic wasting disease.

**COMPLETION OF HUNT:** If you harvest game early in your hunt, you are welcome to stay at camp or you may choose to go home early. However, your hunt is considered complete when you fill your tag(s). Any additional sightseeing or activities are your own responsibility.

**WEATHER/ LOST HUNTING OPPORTUNITY:** The weather can and will have a profound effect on your hunting experience, sometimes in a positive manner sometimes in a negative manner. Please be advised, we have no control over the weather. No extra hunting days or refunds will be given due to lost hunting opportunity, area closures, or season closures. Any additional cost for motels, meals, travel, etc. under these circumstances is not the responsibility of SNS Outfitter & Guides.

**Hunt Deposits:** To confirm your booking, a 50% deposit is required. The only exception is for those with less than 6 mule deer preference points that apply for hunts 7 or 8, our Greys River trophy mule deer hunts. If you are unsuccessful in drawing a single animal hunt, your deposit can either be returned or rolled over to the next year if space is available. If you book a combination hunt and are unsuccessful in drawing one animal, but draw the other license, the deposit amount will be refunded for only the species you fail to draw. **ONLY UPON FAILURE TO DRAW A LICENSE IS A DEPOSIT RETURNED.** License applications withdrawn by the client **WILL NOT COUNT AS FAILURE TO DRAW.** In those cases a deposit refund will not be granted. Deposits will be returned within 60 days of notification by the Wyoming Game & Fish or Montana FWP that you were unsuccessful in obtaining a license.

**FINAL PAYMENTS ARE DUE 30 DAYS PRIOR TO THE HUNT START DATE.**

**Refunds:** NO REFUNDS WILL BE MADE FOR CANCELLED HUNTS FOR ANY REASON. NO RATE REDUCTIONS OR EXTRA DAYS WILL BE GIVEN IF HUNTERS LEAVE BEFORE THE CONCLUSION OF THE HUNT OR IF THEY FAIL TO ARRIVE ON PREARRANGED DATES. WE RECOMMEND YOU PURCHASE TRIP CANCELLATION INSURANCE IN THE EVENT YOU ARE UNABLE TO MAKE YOUR TRIP DUE TO WORK, INJURY, ILLNESS OR DEATH. REFUNDS ARE NOT GRANTED FOR WEATHER DELAYS, AREA OR SEASON CLOSURES.

**Payment Methods:** Personal checks are accepted for all payments, as well as all major credit cards.

**Sales Tax:** Meals and lodging on Wyoming camp hunts are subject to a 5% state sales tax, or \$2.50 per day.

**Public land Use Fee:** SNS Outfitter & Guides holds permits to outfit on National Forest, BLM and Wyoming State Trust Lands. Most of our private land leases have intermingled public lands within the borders of these ranches. These lands require a permit and use fee to commercially outfit on them.

**One-On-One Guide Service:** This exclusive service is offered at a rate of \$250.00 per day on all hunts with the exception of Hunt 3. The rate is charged for the number of days booked.

**Non-Hunters:** We can accommodate non-hunters in camp for a fee of \$200.00 per day. If you want your non-hunter to accompany you during your time in the field a one on one hunt must be booked. Please note the non-hunter option is not available on Hunt 3.

**Trip Cancellation Insurance:** We strongly recommend you consider purchasing a trip insurance policy on your hunt. Should you be unable to make your trip due to an unforeseen problem you will not lose all of your investment. Trip insurance also protects you from damage or loss to your equipment and provides medical benefits and emergency evacuation coverage during your hunt. Once you book your trip we will provide you with a flyer detailing the type of insurance offered. Information can also be obtained at [www.ripcordrescuetravelinsurance.com/snsoutfitters](http://www.ripcordrescuetravelinsurance.com/snsoutfitters) or call RIPCORD RESCUE TRAVEL INSURANCE at (415) 481- 0600.

**Liability Waiver:** A liability waiver/ acknowledgement of risk will be mailed to you upon booking to be signed and returned to our office.
